GOVERNMENT EXHIBIT 1076 4:18-CR-368

Yes sir, the "asking for Sila pak" means we have written a script for that formula and given it to the RPH to call or sign off on the script (if they have a standing order) so we can fill.

Everything that says gets pain patch they have already gotten filled this month.

Pam:

Thanks for the prompt follow-up. Few questions:

When you say "asking for SilaPak", does that mean they need a script for a scar product before we can fill?

For those patients where you indicates "gets pain patch...", have those scripts been dispensed already for August?

Thanks Scott
